

Rewsta Terms and Conditions

Last updated: July 3, 2026 — DRAFT, not final legal text. See note at end.

These Terms and Conditions ("Terms") govern your access to and use of the Rewsta mobile application (the "App"), operated by Rewsta ("Rewsta," "we," "us," or "our"). By creating an account or using the App, you agree to these Terms. If you do not agree, do not use the App.

1. Eligibility

You must be at least 13 years old (or the minimum age required in your country to use social media services without parental consent) to use Rewsta. By using the App, you confirm you meet this requirement. [Confirm the exact minimum age with a lawyer — this varies by jurisdiction and affects COPPA/GDPR-K obligations.]

2. Your Account

You're responsible for maintaining the confidentiality of your account credentials and for all activity under your account. Notify us immediately at safety@rewsta.io if you believe your account has been compromised. You may not share your account, impersonate another person, or create an account for anyone other than yourself.

3. Content You Post

You retain ownership of the posts, comments, messages, photos, and voice notes you create ("Your Content"). By posting Your Content, you grant Rewsta a limited, non-exclusive, royalty-free license to host, store, reproduce, and display it solely for the purpose of operating and providing the App to you and the people you share it with. This license ends when you delete the content or your account, except where a copy is retained as permitted under our Privacy Policy (e.g. active moderation review or legal requirements).

Ghost Posts are designed to expire and become inaccessible after the lifespan you choose. We do our best to honor this, but we don't guarantee perfect or immediate deletion in every technical circumstance (e.g. content already viewed, screenshotted, or cached by another user before expiry is outside our control).

4. Acceptable Use

You agree to follow our Community Guidelines (rewsta.io/legal/guidelines), which are incorporated into these Terms by reference. Violating them may result in content removal, warnings, or account suspension as described there. We reserve the right to remove content or suspend accounts that violate these Terms or the Community Guidelines, with or without prior notice, at our discretion.

5. Rewsta Plus and Purchases

Rewsta may offer optional paid features ("Rewsta Plus") through Apple's App Store or Google Play in-app purchase systems. All billing, refunds, and subscription management are handled directly by Apple or Google under their respective terms — Rewsta does not process your payment information directly. [This section needs expansion once Rewsta Plus features/pricing are finalized.]

6. Termination

You may delete your account at any time from Settings, which permanently removes your data as described in our Privacy Policy. We may suspend or terminate your access to the App if you violate

these Terms or our Community Guidelines, or if required by law.

7. Disclaimers

The App is provided "as is" and "as available" without warranties of any kind, express or implied, including but not limited to merchantability, fitness for a particular purpose, or non-infringement. We do not guarantee the App will be uninterrupted, secure, or error-free.

8. Limitation of Liability

To the maximum extent permitted by law, Rewsta shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising from your use of the App. [This section, and any liability cap, needs to be drafted properly by a lawyer before publishing — limitation-of-liability clauses have jurisdiction-specific enforceability rules.]

9. Changes to These Terms

We may update these Terms from time to time. If we make material changes, we'll notify you in the App or by email before they take effect. Continued use of the App after changes take effect constitutes acceptance of the updated Terms.

10. Governing Law

[Placeholder — specify the governing jurisdiction (e.g. England and Wales, or the applicable US state) with your lawyer based on where Rewsta is legally incorporated.]

This document is a draft generated to give Rewsta real, functioning Terms and Conditions ahead of a beta launch. It is not a substitute for legal advice. Have a lawyer review it — particularly Sections 1, 5, 8, and 10 — before relying on it for a public launch.
